A voluntary, regional approach to state oversight of distance education

DATA SHARING AGREEMENT

between
NC-SARA
and
Institutions Participating in SARA

I. PURPOSE, AUTHORITY, PARTIES AND TERM OF AGREEMENT

A. PURPOSE and AUTHORITY

The National Council for State Authorization Reciprocity Agreements (NC-SARA) and the nation's four regional education compacts (Midwestern Higher Education Compact, New England Board of Higher Education, Southern Regional Education Board, and the Western Interstate Commission for Higher Education) work in partnership to implement and manage the SARA initiative -- a voluntary, regional approach to state oversight of postsecondary distance education.

One measure of the progress of the SARA initiative will be the number of students enrolled by participating institutions in states other than their own, a process SARA is designed to facilitate and support. This Agreement addresses the collection and use of enrollment data that is to be annually submitted to NC-SARA by each participating SARA institution. This Agreement aligns with the NC-SARA *Policies and Standards* and with the *Unified State Authorization Reciprocity Agreement (SARA)* adopted by the regional compacts and affirmed by NC-SARA; it adds no additional reporting requirements for SARA states or institutions.

NC-SARA has adopted the following policy regarding data collection:

"Institutions participating in the State Authorization Reciprocity Agreements (SARA) shall annually report to the National Council for State Authorization Reciprocity Agreements the number of students enrolled in the institution via distance education delivered outside the home state of the institution, disaggregated by state, territory, or district in which the students reside¹. The data shall be reported annually to NC-SARA one month following the due date for institutions to make their fall enrollment reports to the federal government's Integrated Postsecondary Education Data System (IPEDS).²

¹ Institutions shall use the means they currently employ to determine students' location.

² SARA Policies and Standards, Section 6. Data Submission Requirements for Institutions Participating in the State Authorization Reciprocity Agreement

NC-SARA will report these enrollments on its website, by institution, in the following format:
